# Royal Rehab Private Ryde Day Rehabilitation

## Specialist rehabilitation for:

- Stroke recovery • Neurological conditions • Orthopaedics
- Post-spinal surgery • Reconditioning

Royal Rehab Private Ryde (RRPR) Day Rehabilitation offers innovative evidence-based programs, on-site hydrotherapy and a dedicated multidisciplinary team of professionals committed to helping clients achieve their goals. Our skilled and professional team include rehabilitation specialists, physiotherapists, exercise physiologists, speech pathologists, occupational therapists, dietitians and rehabilitation nurses. Our Day Program is purposefully structured to assist individuals in achieving specific goals related to regaining strength and independence following illness, surgery, or trauma, without the need for inpatient nursing or medical care of a hospital stay. Emphasising goal-oriented care, our program partners with clients to achieve targeted milestones within a defined timeframe.

Individually tailored programs are developed for clients based on mutually agreed and meaningful goals. The following programs are available as half or full day therapies.

- Hydrotherapy
- Occupational therapy
- Parkinson's Disease treatment:
  - PD Warrior
  - SPEAK OUT!
- Physiotherapy
- Speech pathology
- Dietetics
- Exercise physiology
